| Dad approaches MOM, her arms crossed. She finds the whole trip a bit humorous. | |
| MOM You're taking them camping? (pause) Really, Nate? | 14 |
| She prods to gauge his well-being. | |
| MOM (CONT'D) You good? | 15 |
| Nate nods confidently. | |
| MOM Got water? | 16 |
| Nate cocks his head like a dog hearing a whistle. He doesn't understand the simple question. | |
| MOM (CONT'D) To drink? | 17 |
| DAD Uhhh, ya. Duh. | 18 |
| MOM Be safe. | 19 |

They back out of the drive. Mom reminds him...

MOM (CONT'D)
